May 14, 2018

Hello parents/guardians,

Field trip within walking distance

The CBE values the educational benefit of field trips. Field trips close to our school can complement classroom learning by giving students opportunities to explore the community around their school.

Please be advised that we will be going on a community walk this Tuesday, May 15, 2018 from 1:00-2:30pm.

As with any field trip, we want to inform you about some common hazards involved with walking trips to the above locations. Please note this list may not include all of the hazards for a given trip:

- Slips, trips and falls;
- Getting separated from the group;
- Street crossings;
- Pre-existing medical conditions and/or allergies

The weather forecast calls for 29 °C and sunny. Students are encouraged to bring a hat and water bottle, as well as to apply sunscreen before school. Bug spray is also encouraged.

Sincerely,

Ms. Bains and Ms. Chung
